

THE AMERICAN BANNER.

FRIDAY, AUGUST 31.

LOCAL INTELLIGENCE.

Local items are very scarce. Nothing whatever.

We have had pleasant showers within the past week; which did a deal of good.

Our Quarantine is now in full swing; we be unto the boat that should pass there without a ticket.

We are happy to learn that the yellow fever is not so bad in Vicksburg as was reported a few days ago, it is of a very mild character.

The health of this city is very good.

SPECIAL NOTICES.

WORMS.

As this is the season of the year when worms are most formidable among children, the proprietors of M'LANE'S Vermifuge beg leave to call the attention of parents to its virtues for the expelling of these annoying, and of fatal enemies of children. It was invented by a physician of great experience in Virginia, who, after having used it for several years in his own practice, and found its success so universal, was induced at last to offer it to the public as a cheap, but certain and excellent medicine. It has since been justly popular throughout the United States, as the most efficient Vermifuge ever known, and the demand has been steadily on the increase since its first introduction to the public.

Purchasers will be careful to ask for Dr. M'LANE'S CELEBRATED VERMIFUGE, and take none else. All other Vermifuges, in comparison, are worthless. Dr. M'LANE'S GENUINE VERMIFUGE, also his Celebrated Liver Pills, can now be had at all respectable Drug Stores in the United States and Canada.
